

8 WAYS MOVWORKS MAKES SUPPORTING EMPLOYEES EFFORTLESS

The Moveworks Advantage

01

Automate hundreds of use cases — on day 1

No training, no admin, no workflows, no scripting. Our platform just works.

02

Offer actionable recommendations for your support environment

Our world-leading team is committed to achieving your goals.

03

Drive adoption by meeting employees where they work

Moveworks helps every employee, whether they use chat, email, or a web portal.

04

Automatically index and conversationalize every resource

Moveworks surfaces hidden forms and knowledge articles for employees.

05

Understand exactly what employees need, no matter which language they use

Our deep knowledge of enterprise language relies on Collective Learning.

06

Meet employees on their terms

Moveworks lets employees drive conversations forward with AI that doesn't follow a script.

07

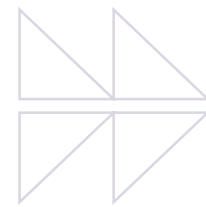

Prevent issues proactively with interactive comms

Moveworks sends targeted and actionable employee communications.

08

Handle routing and approvals automatically

Moveworks speeds up support for even complex, high-touch issues.
